Dear Educator,

We are pleased to present to you and your students a very innovative, healthy box lunch option for your next field trip to IMAX! We call it:

The Robeks Juice® “Power Box”
***Satisfying 80-100% of the Daily Fruit
Requirement for Children Age 2-13 Years***

This specifically tailored lunch program is available only at our Arizona Mills Robeks Juice® location, making it easy for you and your students to get a nutritious lunch before or after your movie presentation.

What is a “Power Box”?:

A “Power Box” combines a healthy sandwich (turkey, ham, or roast beef) with a junior-sized Robeks Juice® real fruit smoothie, available in three EXCITING, kid-friendly flavors. Our famous smoothies contain only the highest quality fruits and juices. It’s the perfect one-two punch for healthy kids on the go!

How does it work?:

Each student should select one (1) sandwich and one (1) smoothie for their “Power Box” lunch, which the key contact will compile on the attached order form. Fax it in no later than 48 hours in advance (Mon-Fri). We will telephone the key contact shortly thereafter with confirmation, and will have it ready for pickup at the predetermined time. We are located right across from IMAX in the food court, so your students can stay in one concentrated area of the mall.

How much does it cost?

The healthiest, most comprehensive box lunch on the market today costs just \$5.50 per person! We will take one lump payment for your order at pickup.

We aim to make this a great addition to your day at Arizona Mills. Please don’t hesitate to call me with any questions or comments.
